Update as of 09/10/24

Loaded trucks this morning with tools, meter kit, and demo supplies for the job.

First Mobilized to Home Depot to pick up 30 it's of masonite at the downtown location.

Once loaded We then mobilized to the job site.

Arrived on site and checked in with loading the guys made them aware We are here to work in unit 57E.

Note- large fright elevator is still out of service until further notice so we had to use elevator C2 again, which is a lot smaller so we had to manipulate every Masonite sheet in the elevator one by one & brought them up to unit 57E.
